

# PLYMOUTH SNOW RANGERS

## DECEMBER 2011 NEWSLETTER

Hello Rangers;

As the days get shorter and the nights get colder, the anticipation of snow is starting to grow, luckily the frost hasn't set in for the field leveling and marking of the trails. If you haven't been around the clubhouse in a while you'll be surprised at the changes taking place. The back yard is almost ready for the track, and the back room is slowly getting cleaned out.

The first race chairman's meeting is tentatively set for [December 13th](#), 2011, 7:30 pm at Ranger Park. This will be open to all members who wish to have input on how the property will be utilized (in other words, suggestions would be helpful). The way the meeting is usually conducted is that we go through each chair persons responsibilities and cover the needs and concerns that have come up over the years. Although the responsibilities haven't changed, the change of venue and logistics are going to offer new challenges for our club. Feel free to contact me with any concerns or questions at [920-893-8283](tel:920-893-8283).

December 8th we will be having our Christmas Meeting at the Clubhouse. The club will be serving sloppy joes, and we ask club members to bring a small dish to pass. We will also be collecting new unwrapped toys for Toys for Tots.

We need club members to help police the trails when they are open to make sure everyone stays on the trails, especially the Johnsonville Trail. We are still brushing trails, due to all the rain setting us behind. The lowlands are very wet. We will send e-mails on work days.
