

PLYMOUTH SNOW RANGERS

FEBRUARY 2011 NEWSLETTER

February club meeting is on Thursday the 3rd at 7:30pm

Now on to the race, the tent will be put up on Wednesday, February 2nd, that evening, we will start getting the inside of the tent ready to go. Friday, February 4th, we will do final set up of the tent, put up fencing and clean out grandstand (bring plastic shovels, gas powered leaf blowers or push brooms). On Saturday morning at 8:00 am, we will do the final setup. The races will be starting earlier on Saturday and Sunday, due to the number of racers expected, so watch for changes in work times. Please contact Leif Erickson (893-8733) if you can help or just show up.

The last time the trails opened, we had a problem with the Kubota. There was a recall on the track scrapers, and a device to stop ice build up on the drive sprockets. Since this part was not changed, we wrecked both drive tracks on Monday, January 17th. The tracks came in on Friday and we replaced them. The Kubota has been out grooming since, and the problem has been fixed. We ask all groomer operators to check that no ice builds up on the tracks.

Sunday after the snowmobile races are cleaned up we will have the big screen setup to show the super bowl. We will have brats, burgers and beverages.

Leif Erickson

Hello Rangers~

It's that time of year again. The race is literally right around the corner and everything is shaping up nicely except for one little football game, alright maybe it's a bit bigger than a playoff game like we were used to dealing with during our race weekend, but at least the kickoff is well after the conclusion of the race and hopefully the tear down of the tent.

If you're interested in working at the races and have not been called, please sign up on the website for any possible open areas. For Race Chairmen, if you could get Dan your workers lists to get the badges made and so the workers can get their hats for working at the races. This year they should be Budweiser stocking caps rather than the baseball type caps we had the last few years. If that is an issue for the food tent, we may be able to bring up some left over caps from the past few years.

I know this newsletter is a bit out of sequence, but we bumped everything up a week to adjust for the races being the first Sunday of the month rather than the traditional second Sunday. That means the club meeting will be next Thursday, February 3rd at 7:30pm at the building. Right after the meeting we start loading up the trailers to move up to the fairgrounds on Friday. Banners and hay bales will be put out on Friday night just to allow for other things to get set up on Saturday morning. I talked with Joe Hubacek and he said there are still 10 rooms available on the club trip, remember that's only two weekends after our race. The club trip will be in Eagle River. February 7th is the cut off for reserving your rooms!

Tim

All members please turn in your AWSC raffle tickets including any unsold tickets to Jeff Bender by February 15th 2011.

If you would like to bring a dessert for the VIP room at the races contact Debbie and Greg Zimmermann by next Thursdays club meeting.

Any one able to help out in the Big Top on sat. or sun. please call or email Kathy Walber @ 920-893-2135 or twalber@wi.rr.com
